

Day of Service

Project Leader Application

Project Leaders will be responsible for overseeing on campus and/or off campus service projects during the Day of Service on June 22, 2009 as part of Welcome Week. This will include directing and accompanying volunteers to the project location, serving as a liaison between the host agency and the volunteers, communicating any problems with the designated Welcome Week committee member, and other duties as assigned. Project leaders must be available all day on June 22 and will remain with the assigned project until completion. Please complete this application and email to Beth Ward at bhward@vcu.edu.
